24 June 2008,

Dear Editor,

Ref: **Gynaecological morbidity among HIV positive pregnant women in  
Cameroon**

We are thankful for giving us the opportunity to resubmit the manuscript. We have revised the manuscript according to changes you suggested. All suggestions have been accepted. They have improved the manuscript for which we are very grateful. We hope that the current state of the manuscript meets the requirements for publication in your journal.

Sincerely,

Eugene
