Dear Editor,

On behalf of the authors of this report, EngenderHealth and the Directorate General Family Welfare, Uttar Pradesh, India, we are pleased to resubmit for your consideration the attached manuscript titled: *A strategic assessment of cervical cancer prevention and treatment services in 3 districts of Uttar Pradesh, India.*

The changes have been made per your email which includes changes to the affiliations, removing Consultant and Director General; and moving the tables behind the reference list.

We thank you for your time and consideration in the review of the manuscript.

Sincerely,

Jan Bradley
Program Manager, EngenderHealth
