

Reviewer's report

Title: Using a Cesarean Section Classification System based on characteristics of the population as a way of monitoring obstetric practice

Version: 2 Date: 20 June 2010

Reviewer: Iracema MP M Calderon

Reviewer's report:

I am pleased to review Professor Cecatti's article and, in my opinion, the authors agreed with the main questions and successfully adjusted the paper.

I truly recommend the publication of this paper.

Sincerely,

Iracema MP Calderon

Level of interest: An article of importance in its field
